The online Programme-at-a-Glance (PAG) has a complete list of conference sessions, satellites, meetings, and programme activities taking place at the Walter E. Washington Convention Center, as well as a list of affiliated independent events, including pre-conference events. Please confirm all details and times on the PAG.

Press conferences: A complete schedule of all press conferences, including those hosted by conference organizers and third parties, will be available on the Media Centre page of the conference website and will be posted outside each of the press conference rooms in the Media Centre. Please check for daily updates, available at the Information Desk in the Media Centre.

Sessions noted with 📻 will be webcast. Most will be available on the same day as the session. Live webcasts are noted. All webcasts can be accessed through the PAG.
• **A Call to Action: Global Sex Workers Recommend Policy Change for Better HIV Prevention and Treatment (SUSA01)** (Sex Workers Project at the Urban Justice Center)  
  Location: Session Room 3  
  Panelists from the international sex workers rights movement will present policy reform recommendations to improve HIV prevention and treatment for sex workers.

• **Rethinking the Role of Social Sciences in the Context of HIV/AIDS (SUSA04)** (Human Sciences Research Council of South Africa)  
  Location: Session Room 6  
  Social and biomedical scientists will identify theories of behavior change that may be applicable to HIV prevention and facilitate innovative approaches that target vulnerable communities.

• **Beyond MDG 6: HIV and Chronic NCDs: Integrating Health Systems Toward Universal Health Coverage (SUSA18)** (Management Sciences for Health)  
  Location: Session Room 2  
  Will review lessons learned from AIDS in the past decade and determine what lessons can be leveraged and applied beyond 2015 in the context of an emerging global burden of chronic NCDs.

• **New Frontiers in NIH AIDS Research (SUSA22)** (National Institutes of Health)  
  Location: Session Room 6  
  An examination of the key HIV research challenges ahead with presentations from NIH research leaders, a panel discussion, and Q&A.

• **The Strategic Use of Antiretrovirals - Bringing HIV Prevention and Treatment Together (SUSA40)** (World Health Organization)  
  Location: Session Room 6  
  Session will discuss new and evolving guidelines related to the use of antiretrovirals for treatment and prevention, in light of recent research results demonstrating their role in prevention.

• **No “Getting to Zero” Without Scale-Up of Stigma Reduction (SUSA42)** (National Institute of Mental Health at NIH, Health Policy Project, International AIDS Society, RTI International, Stigma Action Network and UNAIDS)  
  Location: Session Room 8  
  Session will focus on the need to scale-up interventions to reduce stigma and discrimination in order to improve access and retention in treatment, care and treatment programs; improve the lives of people living with and affected by HIV; uphold human rights; and maximize investments.

• **Achieving the Goals of the U.S. National HIV/AIDS Strategy: Future Directions (SUSA43)** (U.S. Department of Health and Human Services)  
  Location: Session Room 9  

• **Pre-Exposure Prophylaxis (PrEP) for HIV Prevention: Maximizing Success (SUSA52)** (Multiple NGOs)  
  Location: Mini Room 9  
  Advocates, policymakers, funders, clinicians and researchers will lead an examination of key factors related to the implementation of PrEP.

• **HIV/AIDS and the News Agenda – Implications for Ending the Epidemic (SUSA53)** (International AIDS Society)  
  Location: Mini Room 10  
  A panel discussion with journalists, activists and scientific and programme leaders to discuss the future of the HIV epidemic from a media perspective.

• **High-Impact Prevention: Reducing the HIV Epidemic in the United States (SUSA58)** (U.S. Centers for Disease Control and Prevention)  
  Location: Session Room 5  
  Will focus on U.S. efforts to reduce its HIV epidemic. High impact prevention – combinations of scientifically proven, cost-effective, and scalable interventions targeted to specific populations – is a strategy being used to achieve the goals of the National HIV/AIDS Strategy.

• **Women and Girls Turning the Tide (SUSA64)** (International AIDS Women’s Caucus and Women ARISE)  
  Location: Mini Room 10  
  Session will address a range of scientific, programmatic and cultural topics related to women and HIV.

• **HIV/AIDS and the News Agenda – Implications for Ending the Epidemic (SUSA53)** (International AIDS Society)  
  Location: Mini Room 10  
  A panel discussion with journalists, activists and scientific and programme leaders to discuss the future of the HIV epidemic from a media perspective.

• **High-Impact Prevention: Reducing the HIV Epidemic in the United States (SUSA58)** (U.S. Centers for Disease Control and Prevention)  
  Location: Session Room 5  
  Will focus on U.S. efforts to reduce its HIV epidemic. High impact prevention – combinations of scientifically proven, cost-effective, and scalable interventions targeted to specific populations – is a strategy being used to achieve the goals of the National HIV/AIDS Strategy.

• **Women and Girls Turning the Tide (SUSA64)** (International AIDS Women’s Caucus and Women ARISE)  
  Location: Mini Room 10  
  Session will address a range of scientific, programmatic and cultural topics related to women and HIV.

• **HIV/AIDS and the News Agenda – Implications for Ending the Epidemic (SUSA53)** (International AIDS Society)  
  Location: Mini Room 10  
  A panel discussion with journalists, activists and scientific and programme leaders to discuss the future of the HIV epidemic from a media perspective.

• **High-Impact Prevention: Reducing the HIV Epidemic in the United States (SUSA58)** (U.S. Centers for Disease Control and Prevention)  
  Location: Session Room 5  
  Will focus on U.S. efforts to reduce its HIV epidemic. High impact prevention – combinations of scientifically proven, cost-effective, and scalable interventions targeted to specific populations – is a strategy being used to achieve the goals of the National HIV/AIDS Strategy.

• **Women and Girls Turning the Tide (SUSA64)** (International AIDS Women’s Caucus and Women ARISE)  
  Location: Mini Room 10  
  Session will address a range of scientific, programmatic and cultural topics related to women and HIV.

• **HIV/AIDS and the News Agenda – Implications for Ending the Epidemic (SUSA53)** (International AIDS Society)  
  Location: Mini Room 10  
  A panel discussion with journalists, activists and scientific and programme leaders to discuss the future of the HIV epidemic from a media perspective.

• **High-Impact Prevention: Reducing the HIV Epidemic in the United States (SUSA58)** (U.S. Centers for Disease Control and Prevention)  
  Location: Session Room 5  
  Will focus on U.S. efforts to reduce its HIV epidemic. High impact prevention – combinations of scientifically proven, cost-effective, and scalable interventions targeted to specific populations – is a strategy being used to achieve the goals of the National HIV/AIDS Strategy.

• **Women and Girls Turning the Tide (SUSA64)** (International AIDS Women’s Caucus and Women ARISE)  
  Location: Mini Room 10  
  Session will address a range of scientific, programmatic and cultural topics related to women and HIV.
07:00–8:30 SATELLITE SESSION
Human Rights and Treatment as Prevention: An African Perspective (MOSA02) (ARASA and AIDS Legal Network)
Location: Session Room 9
Focus on the human rights dimensions of treatment as prevention and programmes needed to optimize access to and retention on treatment.

08:40–10:30 PLENARY
Ending the Epidemic: Turning the Tide Together (MOPL01)
Location: Session Room 1 (live)
- Anthony Fauci, United States, National Institute of Allergy and Infectious Diseases, *Ending the HIV Epidemic: From Scientific Advances to Public Health Implementation*
- Phill Wilson, United States, The Black AIDS Institute, *The U.S. Epidemic*
- Sheilla Tshu, UNAIDS, *Turning the Tide in Affected Countries: Leadership, Accountability and Targets*
- Secretary Hillary Rodham Clinton, United States, Department of State
Award Presentation: IAS-NIDA Fellowship; Red Ribbon Award Announcement

11:00–12:00 OFFICIAL PRESS CONFERENCE: PLENARY SPEAKERS
Location: Press Conference Room 1

11:00–12:00 GLOBAL VILLAGE ACTIVITY
Global Village/Youth Pavilion Opening Ceremony
Location: Global Village Main Stage, (Lower Level, Hall B)
Featuring a performance by Jamar Rogers. The Global Village will feature Networking Zones, cultural activities, workshops and much more!

11:00–12:30 CONCURRENT SESSIONS
- Symposia Session: Improving Effectiveness and Efficiency in the HIV Response (MOSY01)
  Location: Session Room 1
  How to prioritize investments in an environment of restrained resources. Speakers include: Bill Gates, Jim Yong Kim, Lesotho Minister of Health Mphu Ramatlapeng, U.S. Senators Lindsey Graham and John Kerry, and Amb. Eric Goosby.
- Oral Abstract Session: Late Breaker Track A (MOLBA)
  Location: Session Room 2
- Oral Abstract Session: Health Disparities and the U.S. MSM HIV Epidemic (MOAC01)
  Location: Session Room 3
- Regional Session: Eastern Europe and Central Asia (MORE01)
  Location: Session Room 5
  S. Roelofs, First Lady of Georgia, and H. Pevkur, Minister of Social Affairs, Estonia.

13:00 – 14:00 SPECIAL SESSIONS
- How Do We Get There? Country Planning for Maximum Impact (MOSS01)
  Location: Session Room 1
  Speakers include Amb. Mark Dybul, Amb. Eric Goosby, South African Deputy President Kgalema Motlanthe, and Rwandan Minister of Health Agnes Binagwaho.
- Can Public-Private Partnerships Help Those who Think Globally, Act Locally? (MOSS02)
  Location: Session Room 2
  Keynote speech by Sir Elton John with remarks by South African Health Minister A. Motsoaledi, Elena Salgado, Spain, John Megrue, USA, and James Chau, China.
- The Science of HIV: What Lies Ahead? (MOSS03)
  Location: Session Room 5
  Moderated by NIH Director Dr. Francis Collins and journalist Jon Cohen. High -level researchers and community advocates will present their visions of what lies ahead in HIV vaccine, cure, treatment and prevention research.

14:00 – 15:00 PRESS CONFERENCE
Location: Press Conference Room 1
IAS President Elly Katabira and Bill Gates, Bill and Melinda Gates Foundation

14:30 – 16:00 CONCURRENT SESSIONS
- Bridging Session: Prevention Today: What’s the Right Mix (MOBS01)
  Location: Session Room 1
- Regional Session: Sustainable Development and HIV – A Caribbean Agenda (MORE02)
  Location: Session Room 5
  Sarah Wescot-Williams, Prime Minister, St. Martin, Leslie Ramsammy, Minister of Agriculture, Guyana, will speak.
- Oral Abstract Session: Drug Policy, Criminal Justice and Human Rights (MOAD02)
  Location: Session Room 7
- Oral Abstract Session: Investing in Treatment: Now and Later (MOAE02)
  Location: Session Room 8

16:30 – 18:00 CONCURRENT SESSIONS
- Symposia Session: In-Country Ownership Solutions for Leadership and Accountability (MOSY08)
  Location: Session Room 1
  Examples of in-country ownership for developing strategies and solutions for achieving national HIV goals. Includes USAID Director Rajiv Shah and Ethiopian Minister of Health Kesetebirhan Admassu
- Bridging Session: Treatment as Prevention: Is It Time for Action? (MOBS02)
  Location: Session Room 2
  Differing perspectives from leading researchers and a panel discussion.
- Oral Abstract Session: HIV, Drug-Use and Risks in Different Contexts (MOAC04)
  Location: Session Room 3
- Oral Abstract Session: Where Will the Money Come From? Challenges and Approaches to Sustainability (MOAE03)
  Location: Session Room 4
- Oral Abstract Session: Pharmacology of Old and New TB Drugs (MOAB03)
  Location: Session Room 6
- Symposia Session: Young and Restless Youth Leadership: Together We Can (MOSY09)
  Location: GV Session Room 1
Builds upon the AIDS ambassadors session at AIDS 2010, and brings together the current AIDS and health ambassadors from Australia, France, the Netherlands, Sweden and the U.S.

- The Role of Faith-Based Organizations in Turning the Tide on the HIV Pandemic (TUSS02)
  Location: Session Room 5

Features the role that faith communities play in the HIV response and highlights critical and growing role of the faith community in increasing political will.

14:30 – 16:00  **CONCURRENT SESSIONS**
- Symposia Session: The Global Commission on HIV and the Law: A Movement for HIV Law Reform (TUSY03)
  Location: Session Room 2

A review of the commission’s findings on the positive and negative impacts of the law on the HIV response and its recommendations for changes.

- Oral Abstract Session: Antiretroviral Prophylaxis: Attitudes and Implementation (TUAC03)
  Location: Session Room 3

- Bridging Session: HIV at 50+ (TUBS02)
  Location: Session Room 7

Session will discuss what is required to address the increasing medical and psychosocial needs among adults 50+ living with or newly diagnosed with HIV.

16:30 – 18:00  **CONCURRENT SESSIONS**
- Symposia Session: *The Lancet* 2012 Special Theme Series: MSM and HIV (TUSY07)
  Location: Session Room 1

Presentations from *The Lancet*'s special themed issue on HIV epidemic among men who have sex with men, among the most heavily burdened groups.

- Oral Abstract Session: Mechanism of HIV Latency (TUA02)
  Location: Session Room 2

- Bridging Session: Healthcare Workforce: Who Cares and Where? (TUBS04)
  Location: Session Room 4

This session will present issues in the HIV/AIDS healthcare workforce crisis and highlight strategies to improve the numbers and quality of the workforce.

- Regional Session: Europe (TURE02)
  Location: Session Room 7

- Oral Abstract Session: Novel Drugs and Treatment Strategies (TUAA03)
  Location: Session Room 7

18:30 – 20:30  **SATELLITE SESSIONS**
- Reaching the “Three Zeros” Through Raising Domestic Resources, Strengthening Institutional Capacity and Addressing AIDS Induced Exclusion (TUSA18) (Idasa Governance and AIDS Programme)
  Location: Mini Room 1

Using evidence from various African countries, presenters will illustrate the importance of innovative ways of domestic financing coupled with strong and accountable institutions.

- The Role of Vaccines in Ending the Pandemic (TUSA23) (Multiple Sponsors)
  Location: Mini Room 6
WEDNESDAY, 25 JULY

08:40–10:30  PLENARY
Turning the Tide on Transmission (WEPL01)
Location: Session Room 1
- Bart Haynes, United States, Duke Human Vaccine Institute, Vaccines
- Chewe Luo, UNICEF, Turning the Tide for Children and Youth
- Linda H. Scruggs, United States, A Woman Diagnosed with AIDS, Making Women Count: A Comprehensive Agenda
- Geeta Rao Gupta, UNICEF, Turning the Tide for Women and Girls

11:00–12:00  OFFICIAL PRESS CONFERENCE: PLENARY SPEAKERS
Location: Press Conference Room 1

11:00–12:30  CONCURRENT SESSIONS
- Regional Session: Connecting the Dots: HIV and AIDS in the Context of the Black Diaspora (WERE01)
  Location: Session Room 5
- Oral Abstract Session: Storming the B documentaries and HIV: An Evolving Controversy (WEAC02)
  Location: Session Room 2
- Symposia Session: Getting to Zero: Community Style (WESY04)
  Location: Session Room 4
- Bridging Session: Children: Growing Up with HIV Infection (WEBH02)
  Location: Session Room 6
- Regional Session: Turning the Tide in the HIV and AIDS Epidemic in Washington, D.C. (WERE03)
  Location: Global Village Session Room 1

13:00–14:00  SPECIAL SESSIONS
- National HIV Strategies: High-Level Political Leadership (WESS01)
  Location: Session Room 1
  Includes Benedict Xaba, Minister of Health, Swaziland and Thomas Frieden, CDC Director
- Celebrating the Frontline: The Red Ribbon Award for Innovative Community Responses to AIDS (WESS02)
  Location: Session Room 2
  These presentations will highlight outstanding community-based responses to AIDS from a variety of countries from around the world. Presenters H.R.H. Crown Princess Mette-Marit, Norway, and Michel Sidibé, UNAIDS.
- Microbicides and PrEP: Back to Basics (WESS03)
  Location: Session Room 3
  This session will reference the current state of microbicides and PrEP research and outline a path for future research and implementation. Includes a panel providing real-world considerations for making these tools available to the public.
- The U.S. Congress and the Global AIDS Epidemic
  Location: Session Room 4

13:00–14:00  GLOBAL VILLAGE SESSION
Breaking the Silence: Challenging HIV and AIDS Related Stigma and Discrimination in Egypt (WESG03)
Location: Global Village Session Room 1
Presentations on the challenges faced by PLHIV in Egypt and efforts to combat them. Includes a Q&A period.

14:30–16:00  CONCURRENT SESSIONS
- Oral Abstract Session: HCV: A New Era Dawns (WEAB01)
  Location: Session Room 1
- Oral Abstract Session: Stigma: Breaking the Silences - Dealing with Stigma and Exclusion for PLHIV and HIV/AIDS Affected Populations (WEAD05)
  Location: Session Room 1
- Symposia Session: Antiretroviral Management in 2012 (WESY05)
  Location: Session Room 2
  Experts from both the developed and developing world will discuss these current challenges in HIV management from a global perspective.
- Bridging Session: HIV Responses in the Context of Migration: What Have We Learned? (WEBH01)
  Location: Session Room 4
- Regional Session: USA and Canada (WERE04)
  Location: Session Room 5

16:30–18:00  CONCURRENT SESSIONS
- Oral Abstract Session: Stigma: Breaking the Silences - Dealing with Stigma and Exclusion for PLHIV and HIV/AIDS Affected Populations (WEAD05)
  Location: Session Room 1
- Symposia Session: Antiretroviral Management in 2012 (WESY05)
  Location: Session Room 2
- Regional Session: Turning the Tide in the HIV and AIDS Epidemic in Washington, D.C. (WERE03)
  Location: Global Village Session Room 1

16:30–18:00  GLOBAL VILLAGE PANEL DISCUSSION
Young People Leading the Fight Against HIV: US and Global Perspectives on How to Make a Difference (WEGS09)
Location: Youth Pavilion

18:30–20:30  SATELLITE SESSIONS
Integrated Prevention Campaigns: Evidence for Impact and Efficiency, Global Potential, and Sustainability (WESA18)
Location: Mini Room 1
Examines past success and potential impact of programmes that combine HIV, malaria and diarrhea prevention.

Visit the Global Village
Workshops, the Youth Pavilion, Networking Zones, cultural activities
Hall B, Lower Level, adjacent to the Media Centre
Hours: Monday to Thursday, 08:30–20:30; Friday, 08:30–12:00
THURSDAY, 26 JULY

08:40 – 10:30  PLENARY
**Dynamics of the Epidemic in Context (THPL01)**
*Location: Session Room 1*  
- Paul Semugoma, Uganda, Global Forum on MSM and HIV
- Cheryl Overs, Australia, Monash University. *The Tide Cannot Be Turned without Us: HIV Epidemics amongst Key Affected Populations*
- Debbie McMillan, United States, Transgender Health Empowerment *Making Waves: The Changing Tide of HIV and Drug Use*
- Gottfried Hirnschall, WHO, *Expanding Testing and Treatment*

11:00 – 12:00  OFFICIAL PRESS CONFERENCE: PLENARY SPEAKERS
*Location: Press Conference Room 1*

11:00 – 12:30  CONCURRENT SESSIONS
- **Bridging Session: Show me the Money: Political Commitment, Resources and Pricing (THBS01)**
  *Location: Session Room 1*  
  Session will focus on the shift in the architecture of global development assistance with particular reference to the current crisis around the Global Fund and declining interest in some rich countries in the HIV epidemic.
- **Oral Abstract Session: Challenges in Scaling-Up PMTCT (THAC01)**
  *Location: Session Room 2*  
  **Regional Session: Sub-Saharan Africa: Progress against AIDS and Key Challenges (THRE01)**
  *Location: Session Room 5*  
  First Lady of Namibia Penehupifo Pohamba will speak.
- **Symposia Session: The Oldest Profession: Is Sex Work, Work? (THSY02)**
  *Location: Session Room 8*  
  The session will provide the basis for the legal, policy, labour and public health rationale for creating an enabling environment in which sex work is integrated into communities as simply another occupation.
- **Symposia Session: HIV Persistence and Eradication (THSY03)**
  *Location: Session Room 9*  
  The challenges of long-term HIV treatment, including drug toxicity and economic cost, call for a scientific effort at understanding the principles of viral latency. Speakers will describe the rapid advances in knowledge related to HIV latency, persistence, compartments and therapeutic approaches and present the advent of new therapeutic concepts. Co-chaired by Françoise Barré-Sinoussi, IAS President-Elect, and Steven Deeks, UCSF.

13:00 – 14:00  CONCURRENT SESSIONS
- **Special Session: Leadership in the AIDS Response for Women (THSS01)**
  *Location: Session Room 1*  
  High-level special session with a focus on the critical role of leadership in improving the HIV response for women, their families, and their communities. Speakers include former U.S. First Lady Laura Bush and Daw Aung San Suu Kyi General Secretary of the National League for Democracy, Burma/Myanmar (via video).

14:30 – 16:00  CONCURRENT SESSIONS
- **Oral Poster Discussion: Ageing with HIV (THPDD02)**
  *Location: Mini Room 10*
- **Symposia Session: The Global Fund: The Next Five Years (THSY01)**
  *Location: Session Room 1*  
  Taking into account the recent organizational reforms at the Global Fund, this session will discuss the strategic direction and future hopes of fund the from the perspectives of the recently appointed General Manager Gabriel Jaramillo, implementing countries, members of civil society, and the donor community.
- **Oral Abstract Session: From Promise to Programmes: Treatment as Prevention (THAC02)**
  *Location: Session Room 2*
- **Symposia Session: HIV in Women throughout the Lifespan (THSY06)**
  *Location: Session Room 4*  
- **Regional Session on Asia and the Pacific Islands: On the Edge of the Cliff (THRE02)**
  *Location: Session Room 5*  
- **Oral Abstract Session: HIV Reservoirs: Where and How is the Virus Hiding? (THAA01)**
  *Location: Session Room 9*

15:00 – 16:00  OFFICIAL PRESS CONFERENCE: LATE BREAKERS
*Location: Press Conference Room 1*

16:30 – 18:00  CONCURRENT SESSIONS
- **Oral Abstract Session: HIV Diagnosis and HAART Initiation: Don’t Be Late! (THAB03)**
  *Location: Session Room 2*
- **Oral Abstract Session: Evidence-Based Prevention for Injecting Drug Users: It Works! (THAC04)**
  *Location: Session Room 4*
- **Oral Abstract Session: Late Breaker Track B (THLBB)**
  *Location: Session Room 6*  
- **Symposia Session: The Future of HIV Prevention, Health and Human Rights in Gay, other MSM and Transgender Communities: Towards More Effective Approaches with ICTs in a Web 2.0 World (THSY10)**
  *Location: Session Room 7*

16:30 – 17:30  GLOBAL VILLAGE ACTIVITY
**Is the Scientific and Programming Community Ignoring Condoms? The Visible Yet Invisible Method that is Proven to Prevent the Transmission of HIV**
*Location: Global Village Session Room 2*

18:30 – 20:30  SATELLITE MEETING
- **HIV in Haiti in the Time of Reconstruction. Epidemiology, Achievements, Challenges and Perspectives (THSA08)** (PSI Haiti)
  *Location: Session Room 2*
08:40 – 10:30  PLENARY SESSION
HIV in the Larger Global Health Context (FRPL01)
Location: Session Room 1
• Anthony Harries, France, International Union Against Tuberculosis and Lung Disease, TB and HIV – Science and Implementation to Turn the Tide on TB
• Judith Currier, United States, University of California, Los Angeles, Intersection of Non-Communicable Diseases and Ageing in HIV
• Yogam Pillay, South Africa, National Department of Health Optimization, Effectiveness and Efficiency of Service Delivery – Integration of HIV and Health Services

Award Presentations:
• IAS/ANRS Young Investigator Awards
• IAS/CCABA Prize for Excellence in Research Related to the Needs of Children Affected by AIDS
• TB/HIV Research Prize

10:00 – 11:00  OFFICIAL PRESS CONFERENCE: LATE BREAKERS
Location: Press Conference Room 3

11:00 – 12:00  OFFICIAL PRESS CONFERENCE: PLENARY SPEAKERS
Location: Press Conference Room 1

11:00 – 12:00  GLOBAL VILLAGE ACTIVITIES
• Performance: Start Dancing to Push Back HIV
Location: Global Village Main Stage
Join Dance4Life members as they use media, music and dance to tell their personal stories in the campaign that has inspired young Ugandans to push back HIV and take action.
• Panel Discussion: Can Smarter Funding Help Achieve Universal Access for Young People? (FRG002)
Location: Youth Pavilion
Session will identify opportunities to further dialogue on funding, increase understanding among donors and young people on current gaps in funding, and create recommended actions for donors to consider when supporting youth-led and serving organizations.

11:00-12:30  CONCURRENT SESSIONS
• Symposium Session: Looking to the Future in HIV and TB (FRSY01)
Location: Session Room 1
TB is the leading killer of PLHIV. The session will provide an overview of the latest developments in HIV and tuberculosis, including the state of the art in TB diagnostics, prevention, and treatment; emerging data on delivery of HIV/TB care; and TB vaccine development. The session will include a special commentary of tuberculosis in the HIV-infected paediatric population by Whoopi Goldberg, UNICEF International Goodwill Ambassador.

• Symposium Session: Getting to Zero Excuses: Understanding and Addressing HIV-Related Stigma and Discrimination (FRSY02)
Location: Session Room 2
This session will look at critical areas that may be hindering or facilitating a more concerted response to stigma and discrimination, and thereby influencing the successful roll-out of treatment as prevention and the elimination of vertical transmission of HIV.

• Symposium Session: Intersection of HIV and Non-Communicable Diseases Epidemics (FRSY03)
Location: Session Room 3
To feature the latest data on the prevalence of non-communicable diseases in PLHIV and clinical challenges, including drug-drug interactions and the links between immune activation and inflammation. The impact of this intersection in developing countries and the programmatic implications will also be explored.
• Oral Abstract Session: Late Breaker Track D (FRLBD)
Location: Session Room 5

• Oral Abstract Session: Late Breaker Track C (FRLBC)
Location: Session Room 6

• Oral Abstract Session: Late Breaker Cross-Track (FRLBX)
Location: Session Room 7

12:00 – 1:00  OFFICIAL PRESS CONFERENCE: CLOSING SESSION SPEAKERS
Location: Press Conference Room 1

13:00 – 15:00  RAPPORTEUR SUMMARY SESSION (FRPL02)
Location: Session Room 1
An informative review of major issues and debate that has occurred during the week, based on summaries prepared by an international team of rapporteurs.

15:15 – 17:00  CLOSING SESSION (FRPL03)
Location: Session Room 1 (live)
Session will include:
• Video highlights from AIDS 2012
• Diane Havlir, AIDS 2012 U.S. Co-Chair, Closing Remarks
• Nancy Pelosi, Minority Leader, U.S. House of Representatives
• Anna Zakowicz, GNP+
• Elly Kabatira, IAS President, AIDS 2012 Chair, Closing Remarks
• Presentation of the IAS Presidential Award
• Françoise Barré-Sinoussi, Incoming President, IAS, Inaugural Address
• Sharon Lewin, AIDS 2014 Local Co-Chair
• Remarks on an Asia Pacific community perspective, Laurindo Garcia, Philippines
• Australian Minister of Health Tanya Plibersek and Victorian Minister of Health David Davis
• President William J. Clinton, Founder, William J. Clinton Foundation
• Handover of conference globe to AIDS 2014 Host City, Melbourne, Australia
• Closing of conference
