

**XIX INTERNATIONAL AIDS
CONFERENCE JULY 22 - 27
WASHINGTON DC USA**

TURNING THE TIDE TOGETHER

WWW.AIDS2012.ORG

Step 1 – Create a conference profile

- The conference profile is your personal platform on the AIDS 2012 website. Once created, it will enable you to:
 - Register for the conference
 - Submit an abstract or request abstract mentoring
 - Book accommodation, tours or flights
 - Submit a workshop or programme activity proposal
 - Submit a scholarship application

Click on “My conference profile” at the top left section of the conference website.

WELCOME TO AIDS 2012

Conference Goal and Objectives

Conference Goal: AIDS 2012 will bring together leading scientists, public health experts, policy-makers and the HIV-affected community to translate recent momentous scientific advances into action that will address means to end the epidemic, within the current context of significant global economic challenges. The Conference will have a positive impact on the HIV and AIDS response globally, and in the United States and Washington, DC, in particular.

You can read the full AIDS 2012 Conference Goal and Objectives [here](#).

Words of Welcome from the Co-Chairs

Dear Colleagues,

The return of the International AIDS Conference to the United States in July 2012 represents a significant victory for public health and human rights. The

Abstract Mentor Programme

You have no draft abstract for mentoring.

The goal of the AIDS 2012 Abstract Mentor Programme is to provide an opportunity for young and/or less experienced abstract submitters to ask questions to more experienced researchers. Kindly note that abstract submissions for mentoring are limited to two rounds of revisions per abstract.

Click [here](#) to read more about AIDS 2012 AMP.

Abstract submission Opening : 01 December 2011

Registration Opening : 01 December 2011
